ANNAMALAI UNIVERSITY
ANNAMALAI NAGAR**

ABOUT THE UNIVERSITY

The Annamalai University is a unitary, teaching, and residential university. It was founded by the farsighted and noble hearted philanthropist and patron of letters the late Hon'ble Dr. Rajah Sir Annamalai Chettiar of Chettinad, Kt, LL.D., D.Litt. He started several colleges, and ultimately, the University in 1929. Since its inception, it has progressively tried to realize the aims of the noble Founder Pro-Chancellor. After him, his illustrious son, Padma Bhushan Dr. Rajah Sir Muthiah Chettiar of Chettinad, was the Pro-Chancellor from 1948 to 1984, and he sedulously nurtured the growth and development of the University. The National Assessment and Accreditation Council has accredited Annamalai University at the 'A' Grade level among the universities.

ABOUT THE DIRECTORATE OF DISTANCE EDUCATION

The Directorate of Distance Education established in 1979, and now offers more than five hundred and one different programmes of study under the Regular Stream. It is credited with the largest enrolment in India and is well equipped with computer and other infrastructure, adequate teaching faculty and administrative set-up of its own, study centres, computer training centres, etc., to serve its students' clientele in their best interest at their door steps.

ABOUT THE ECONOMICS WING

The Economics wing, which was incepted in the academic year 1979-80 with B.A. and M.A. Economics with one teacher for co-ordinating the programmes, has now expanded in leaps and bounds. The faculty strength is now 18. At present, the wing is offering B.A. and M.A. Economics Programmes through regular scheme in both English and Tamil Medium. B.A. and M.A. Economics overseas Programmes are also offered. The wing is now headed by Dr. I.SUNDAR under his stewardship, the staff members of Economics has undertaken a lot of innovative academic and research activities. He has been motivating and coordinating the staff members in successfully organizing and conducting the personal contact programme of the Economics Wing.

CONFERENCE THEME

This conference aims at analyzing the role of social capital in social well being and sustainable development. It could be noted that some people adopt better to change than others. Why some people are able to do better with a given set of resources and what influence shape community confidence in achieving goals. Hence, there is a need to identify the links between social capital and community confidence and adaptability.

The potential of data on social capital to inform decision makers in a wide range of social policy areas from health to housing, arts and culture to education and employment. It is essential to explore the process of social capital formation and factors affecting social capital formation. Such type of analysis enables one to develop sustainable social capital. The success of social capital depends on good governance on the part of the social groups and community members. It is essential to identify the required governance towards formation and development of social capital. There is a need to identify the role of government policies, programmes and schemes towards promotion of social capital such as women self help groups, joint forest management, user committee, community organisation, civil society, NGOs and Panchayat Raj institutions in India.

OBJECTIVES OF THE CONFERENCE

- a. To identify the link between the social capital and other forms of capital.
- b. To discuss the factors promoting social capital formation.
- c. To examine the link between social capital and sustainable development.
- d. To understand the role of social capital in capacity building, health and educational promotion, family welfare promotion, rural development, urban development and livelihood promotion.
- e. To discuss the implications of social capital approach in social planning.
- f. To enlarge the positive outcomes of social capital in national socio-economic development changes on livelihood.
- g. To discuss the socio-economic issues of climate change.
