Overview of Research Developments in Canine Practice

on February 07 to 09<sup>th</sup>, 2018

at **NTR COLLEGE OF VETERINARY SCIENCE, GANNAVARAM**

Organized by:

**Department of Veterinary Medicine**  
**NTR College of Veterinary Science**

Gannavaram-521102, Krishna District  
Sri Venkateswara Veterinary University  
Andhra Pradesh, India.

The establishment of Sri Venkateswara Veterinary University was the culmination of efforts during the period, 1955 to 2005 to strengthen education and services in the fields of Veterinary Science, Dairy Technology and Fishery Science in the State of Andhra Pradesh. The establishment of three Veterinary Colleges, the first at Bapatla during 1955, the second at Gannavaram during 1998 and the third at Proddatur during 2008, paved the way for strengthening Veterinary education in the state. The Veterinary College at Bapatla was shifted to Tirupati during December, 1957. The College of Fishery Science was started at Muthukur, Nellore Dt. during 1991. The Dairy Technology Programme was started in 1983 at the College of Veterinary Science, Tirupati and was elevated to college status during June, 2009. The University was created during the year 2005 by bifurcating the faculty of Veterinary Science comprising of Veterinary Science, Fishery Science and Dairy Science from Acharya N.G. Ranga Agricultural University, Rajendranagar, Hyderabad. The Hon'ble Chief Minister of Andhra Pradesh Dr.Y.S.Rajasekhara Reddy inaugurated Sri Venkateswara Veterinary University in the premises of College of Veterinary Science, Tirupati on 15 July 2005 coinciding with the valedictory function of Golden Jubilee celebrations of College of Veterinary Science, Tirupati.

## Invitation

The organizing committee takes pleasure in inviting you to three day International Congress on Canine Practice, XV Annual Convention of Indian Society for Advancement of Canine Practice and International Symposium on "Emerging issues, Innovative techniques and Comprehensive Overview of Research Developments in Canine Practice " from 07 to 09th February 2018 at NTR College of Veterinary Science, Gannavaram, Andhra Pradesh.

India is one of the progressive countries with vast potential of companion animals as well as pet lovers. Canine Practice has travelled a long distance in developing confidence among the pet lovers. On an average 600000 pets are adopted every year in India. In the current era of the globalization, India expects lot of innovative scientific methods from veterinary profession. The sea changes have been possible only by new scientific developments and modern techniques in Veterinary Science related to Canine Practice. The developments in Canine Practice have followed in footsteps of the human medicine. In this context, a very ambitious scientific programme has been prepared encompassing the topics related to the theme.
